At The House Next Door we are continuing to monitor the developing situation with COVID-19. In following recommendations by federal, state and local authorities to practice social distancing, HND will close all offices to visitors on Monday March 23, 2020. Our programs remain operational and adjustments have been made to ensure the health and well-being of our staff and the families that we serve.

For the health and safety of our staff and the families that we serve, client services will be provided virtually whenever possible, while our offices are closed. All clinical counseling sessions will be held online via telehealth during this time.

We will continue to monitor the quickly evolving situation and provide updates on our website and social media accounts.
